Good morning Nairalanders, Pls I like to know if I can convert my Honda EOD 2004 Manual transmission to automatic transmission. Thanks for your kind advice.

YES, a lot easier than auto to manual. Answer changing the transmission is the easiest part then you have to do all the laying in the floor board under the dash.

To put a manual transmission you'd have to at least take off the flex plate off the engine. The conversion is possible though, but very costly, and your wiring harness.

Manual Transmission to Automatic Conversion
