by Cardo I us a Midland BT Next headset in my Schuberth C3.
They have a Sena Bluetooth package that includes a handheld Midland
CB. I expect the CB option may be offered next year. A lot of long
distance tourers out there that do not run BT, but do run wired CB. On
my last bike, I used a portable intercom so my wife and I could chat on
Read the manual, but I'm STILL.
I'm long time Midland BT Next user. Bought S20 based solely on
intercom voice quality - I was so impressed. it disconnects it does not get
automatically back as described in manual - you have to do it
"manually" (with voice command).
